KODIAK KARNAGE

Trail Name	#	Description
Silk / Manchuria	1 / 2	X-Country riding and skiing trail network.
Boom	3	Wide, scenic fireroad trail for those brand new to off-pavement biking. Gentle grades through cedar forest with great views.
Cedar	4	Similar to Boom trail. Brings riders back into the base.
View / Larch	5	Fireroad access trails, used to reach Provincial Park.
Deer Trail	6	Begins as wide fireroad before transitioning into wide trail. Small berms, rolls and gentle grades snaking through the forest.
Will Power	7	One of our original DH trails, Fast and fall line through the forest. A racer's favorite for its technical riding challenges.
Trac II / III	8	Similar to Will Power but a bit rockier with loose soil. A great testing grounds to see if you are ready to ride the Timberside.
Playground	9	Technical corners, large wood features, and multiple line options.
Duff Dynasty	10	Gentle, smooth trail full of twists, turns, rolls, and bridges through cedar forest. A great trail for families and kids of all ages!
Kodiak Karnage	11	Fast, steep, and loose. This is a committing trail for experts only.
Gorbi Loop	12	Fireroad through Cedar Bowl providing access to Provincial Park. Long uphill required to return to base area.
Black Forest	13	Short, steep trail connects Boom/Cedar with Provincial Park trails.
Aggravated Assault	14	Big brother to Hollow Tree. Loamy, singletrack trail with wood features to spice things up.
Double Creek	15	X-Country style trail that traverses lower mountain through shaded forest. Scenic bridges over creeks.
Hobbits Trail	16	Fire road access trail can be used to access Provincial Park or, more often, used as return artery to base from Eville/ Honey Bee.
Ben's Big Rig	17	Our easiest trail from the Elk Top. Begins with small berms and gentle traverses. Access at half-way point to Deer Trail or continue to lower section with larger berms and access to Honey Bee/Eville.
Honey Bee	18	Gentle singletrack trail through forest. Expect a few wide bridges, roots, and tight corners to work on your bike handling skills.
Rubber Ducky	19	Choose your adventure with a variety of old school wood features.
Monorail	20	Short, playful jump trail bringing riders into the base area.
Phat Larry's	21	Classic steep singletrack meandering through cedar ravine. Steeps and drops with a flowy finish.
Hollow Tree	22	A classic Fernie loamy singletrack trail. Medium grade and full of natural terrain features such as roots, rocks, and rolls.
Holo Bike	23	Neighbors with Phat Larry's but offers gentler grades.
Alternate Flight	24	Gain some altitude on the largest man made wood features at the resort.
Far Out	25	Because it goes faaaaaar out and back. One uphill section.
Lil' Miss Buff It	26	A great singletrack side route paralleling Cedar Trail.
Bike Thief	27	Technical corners, off camber roots, and rocky sections with lots of natural ebb and flow. Great views up the valley at the 1/2 way point.
Neverland	28	Our newest DH trail. Technical but flowy descent is a high-speed ride taking advantage of the natural terrain features.
Rumplestumpskin	29	Fernie's flagship trail. 4km of our best riding through all elevations.
Megasaurus	30	Fire road traverses across mountain bowls. If the pedalling doesn't take your break away the views will.
BC Cup	31	Accessed via Bike Thief, this trail is technical and fast.
Top Gun	32	One of Fernie's most loved trails with fast, flowy berms and jumps. All features can be rolled over providing a great option or transitional trail for groups with varying ability levels.
Mr Berms	33	A great warm up trail to get the blood flowing and the suspension moving. Cruises across ski run in series of berms and rollers. A great introduction to blue trails for the beginner rider ready for a new challenge.
Bin Logdin	34	Similar to Eville but on steroids! Fast, flowy berms and jumps.
Eville	35	A crowd favorite! One of our funnest, flowiest rides.
Ewok	36	Tight trail snakes through forest with series of low ladders and bridges to test your technical skills and balance.
TNT	37	Our most technically challenging trail; steeps, roots and rocks.
