

VIRTUAL EASTER HUNT CLUES

Bunny #1 - You can find me along the fence at the top of this lift named after an animal with antlers that is strong and "mighty".

Bunny #2 - Just like Aladdin, I also like to ride a magic Carpet. Find me at the top of that Carpet lift.

Bunny #3 - Find me at the start of the second set of secret kids trails that are named after something "juicy" that you can drink.

Bunny #4 - I like to slide on these special features under the Deer chair. I'll be hanging out at the top arch with the staff.

Bunny #5 - Take the trail that you get when you mix the colours of yellow and red. I'm just below where that trail crosses with "Incline".

Bunny #6 - I like to hang out with this famous Disney character. Find me just below where trail "A" crosses with trail "B". Trail "A" is the type of animal the Disney character is (followed by the word "trail"). Trail "B" is the name of the Disney character.

Bunny #7 - You can find me having a laugh on the side of this gully.

Bunny #8 - Easter Monday is this kind of special day that you get off of school (hint it starts with the letter "H" and is also the name of a run off the Elk Chair). Find me just above where this run, meets Cedar Trail.

Once you find the bunny, take a photo with the sign and upload it on the form. Form can be found on our website - Events Calendar under the Griz Kids Virtual Easter Scavenger Hunt
