Are there any COVID-19 Health and Safety rules?

Absolutely! Staff and guests are to adhere to the social distancing policy of 6 feet or 2 metres at all times. The staff will verbally conduct a health assessment questionnaire of each child/parent at the start of the camp. The questions are in place to screen for COVID-19 symptoms. The camp will be postponed if any of the staff feel it is unsafe to continue. Maximum group ratios for all camps are 6:1 child to a camp leader.

Will I have to wait long in the lift line during the camp?

No. The Summer Mountain Adventure School has a priority line to get up the lift quickly. The camp leader will follow lift loading instructions each time loading the lift. Your child must be 4'7" (140 cm) to load the lift on their own. The camp leader can assist two children per lift ride and more if they are in the same family bubble. Please call in advance to talk to booking agents if you have any further questions regarding camp policies.

The following refund/cancellation policies apply:

- Full refund when notice is given at least 24 hours prior to the start of the program.
- \$50 (plus GST) cancellation/re-booking fee within 24 hours.
- No refund for no show.
