

## **KIDS MOUNTAIN ADVENTURE CAMPS FAQ: 2024**

### **What is included in the camp? What should participants bring?**

The prices include lift tickets. Please make sure your child is prepared for all-mountain weather. We suggest a hydration pack/water, lunch and snacks, sunscreen, insect repellent, rain jacket, extra clothing, and good hiking shoes. No open-toed/heeled shoes.

### **What is the cost? How long is the camp?**

\$304 per child (+ GST). 3-day camp 10:00 am – 3:00 pm (supervised one-hour lunch). The camp includes a 3-day lift ticket. A minimum of four kids for the camp to run. Maximum group ratios are 10:1 student to guide.

### **What are the ages and dates of the camps?**

Mountain Adventure Camps are for children aged 6 to 12 years old. The camps are from Tuesday to Thursday each week.

The camp dates are:

- July 2-4, 9-11, 16-18, 23-25, 30-Aug 1
- August 6-8, 13-15, 20-22, 27-29

### **What activities are covered in the camp?**

The camps are based around the British Columbia Conservation Foundation Wild Safe BC Rangers program. We will teach the children about wildlife awareness and hiking safety on the trails at Fernie Alpine Resort. Each child will get a fun activity booklet while playing interactive games and learning to become a Junior Ranger. Please check out this link for further information: [Junior Rangers](#).

### **Where and when do I show up?**

The camps meet at the Griz Kids Centre. Please arrive between 9:45 am and 10:00 am, at least 15 minutes before on the first day of camp. The camp leader will ask for emergency contact details and any other important information about your child. Please label all personal belongings.

### **Will I have to wait long in the lift line during the camp?**

No. The Summer Adventure School has a priority line: get up the lift quickly to maximize your lesson time. Please follow the staff lift loading instructions each time you load the lift. The guide will assist with lift loading. Your child must be 4'7" (140 cm) to load the lift independently.
