Trail Name	#	Description
Silk / Manchuria	1 / 2	Multi-use trail network. Double track road.
Boom	3	Wide, scenic fireroad trail for those brand new to off-pavement biking. Gentle grades through cedar forest with great views.
Cedar	4	Similar to Boom Trail. Brings riders back into the base along a gravel road.
View / Larch	5	Fireroad access trails, used to reach Provincial Park.
Deer Trail	6	Begins as wide gravel fire road before transitioning into a wide trail. Small berms, rolls and gentle grades snaking through the forest.
Will Power	7	One of our original DH trails, Fast and fall-line through the forest. A racer's favorite for its technical riding challenges.
Trac III	8	Similar to Will Power but a bit rockier with loose soil
Playground	9	Technical corners and multiple line options with a few drops and jumps.
Case Closed	9A	Steep sections into supported corners and off camber roots make this a challenging fun ride.
Duff Dynasty	10	Gentle, smooth trail full of twists, turns, rolls, and bridges through cedar forest. A great trail for families and kids of all ages!
Kodiak Karnage	11	Fast, steep, and loose. This is a committing trail for experts only.
Gorbie Loop	12	Fire road through Cedar Bowl providing access to Provincial Park. Long uphill required to return to base area.
GT Racer	13	Hand-built meandering trail through the cedar forest just off Mr. Berms. Good trail for green riders looking to practice riding berms and maintaining speed and flow.
Aggravated Assault	14	Big brother to Hollow Tree. A singletrack trail with some wood features.
Double Creek / Double Creek Ext.	15 & 15A	X-Country-style trail that traverses lower mountain through shaded forest. Scenic bridges over creeks.
Hobbits Trail	16	Multi-use fire road trail can be used to access Provincial Park or, more often, used as return artery to base from Eville/ Honey Bee.
Ben's Big Rig	17	Begins with small berms and gentle traverses. Access at the halfway point to Deer Trail or continue to the lower section with larger berms and access to Honey Bee/Eville.
Honey Bee	18	Gentle singletrack trail through the forest. Expect a few wide bridges, roots, and tight corners to work on your bike handling skills.
Rubber Ducky	19	You can find a black flow trail, loaded with advanced features and mega berms. JUMP SKILLS REQUIRED.
Monorail	20	Short, playful jump trail bringing riders into the base area.
Phat Larry's	21	Classic steep singletrack meandering through cedar ravine. Steeps and drops with a flowy finish.
Hollow Tree	22	Medium grade and full of natural terrain features such as roots, rocks, and rolls.
Holo Bike	23	Neighbors with Phat Larry's but offers gentler grades.
Alternate Flight Pattern	24	Gain some altitude on the largest man-made wood features at the resort.
Far Out	25	Because it goes faaaaar out and back. One uphill section.
Lil' Miss Buffit	26	A great singletrack side route paralleling Cedar Trail.
Bike Thief	27	Technical corners, off-camber roots, and rocky sections with lots of natural ebb and flow. Great views up the valley at the half-way point. There is a short upper section (entry off Trespass Trail to Diamond Back) is rated double black due to mandatory drops and techy rooty corners. The remainder of the trail is rated single black.
Neverland	28	Technical but flowy descent with lots of natural terrain features.
Upper & Lower Rumplestumpskin	29A & B	A technical old-school DH trail featuring rock rolls, tight corners, and fun forest sections. When you reach the lower section at rock landing the trail has technical terrain features and jumps.
Leave Me A Loam	29C	Accessed off lower Rumplestumpskin – Fernie's fresh hand-built line in the forest.
Megasaurus	30	Fire road traversing across mountain bowls. If the pedaling doesn't take your breath away the views will. Rated black diamond (advanced)
BC Cup	31	From Diamond Back corner this trail drops, takes a fast and direct line through steep old-growth cedar trees.
Top Gun	32	One of Fernie's most loved trails with fast, flowy berms and jumps. All features can be rolled over providing a great option or transitional trail for groups with varying ability levels.
Top Gun Ext.	32A	A machine built fast way to get to Top Gun.

Mr Berms	33	A great warm up trail to get the blood flowing and the suspension moving. Cruises across a ski run in series of berms and rollers. A great introduction to blue trails for the beginner rider ready for a new challenge.
Bin Logdin	34	Similar to Eville but on steroids! Fast, flowy berms and jumps.
Eville	35	A crowd favorite! One of our funnest, flowiest rides.
Ewok	36	Tight trail snakes through forest with series of low ladders and bridges to test your technical skills and balance.
TNT	37A	A technically challenging trail through an shady forest with a few natural drops and rooty sections.
Communication Breakdown	37B	A revamp of lowest TNT and a big sister to Bin Logdin. You will find machine built jumps and rollers to progress your flow trail and jump riding skills.
Rockstar	37C	A short technical section ending with a long wooden ramp down to the parking lot.
Cats Pyjamas	38	Located on the notorious Kodiak run, and is just as steep and technical as its neighbor, Kodiak Karnage. If you love surfing sustained steep and root filled chutes, this is the trail for you.
Lizard Lane	39	A fun way to end your lap! Smooth berms and rollers through the forest before heading back to the Elk Chair.
